INTRODUCTION

R. L. POLK & CO., publishers of the Plainfield City Directory, as well as more than 700 other city, county, state and national directories, present to subscribers and the general public, this, the 1929 edition of the Plainfield Directory, which also includes North Plainfield, Arbor, Dunellen, Fanwood, Middlesex Borough, Scotch Plains and South Plainfield. This edition is distinguished by the inclusion of a Directory of Householders for Plainfield and a Rural Routes Directory of Plainfield. Arbor, Middlesex Borough and New Market have been added, and Westfield and Mountainside have been omitted.

Confidence in the growth of the Plainfield community's wealth, industry and population, and in the advancement of its municipal and social activities, will be created as sections of this directory are consulted, for the directory is a mirror truly reflecting Plainfield to the world.

The enviable place occupied by R. L. POLK & CO.'S directories in offices, stores, libraries and homes throughout the country has been established by rendering the best in directory service. With an unrivaled organization, and having the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Plainfield Directory will fulfill its mission as a source of authentic information pertaining to the community.

Six Major Departments

The several essential departments are arranged in the following order:—

THE MISCELLANEOUS DEPARTMENT, pages 12 to 16, presents a variety of information, such as list of county officials; statistical review; manufacturing, trade and civic surveys, etc.

THE BUYERS' GUIDE, pages 25 to 56, printed on tinted paper, contains the advertisements of leading manufacturing, business and professional interests of Plainfield and vicinity. These pages will be found particularly interesting and instructive to substantial purchasing factors. The advertisements have been carefully grouped by departments and are indexed under headings descriptive of the business represented. This is reference advertising at its best and, as such, merits a survey by all buyers anxious to familiarize themselves with sources of supply. The community's activities, in many interesting phases, are authentically pictured. In an ambitious and progressive community like Plainfield, the necessity of having this kind of information immediately available, is very great and, frequently, pressing. General appreciation of this fact is evidenced by the liberal support the city directory enjoys in the many fields which it serves.

THE ALPHABETICAL LIST OF NAMES of residents, business firms and corporations for Plainfield and North Plainfield is included in pages 57 to 618. A feature of this section is the inclusion of the wife's name in parentheses following that of the husband. A similar list for Arbor is

contained in pages 733 to 744; for Dunellen, in pages 745 to 811; for Fanwood, in pages 815 to 829; for Middlesex Borough, in pages 831 to 853; for New Market, in pages 855 to 863; for Scotch Plains, in pages 869 to 894, and for South Plainfield, in pages 899 to 928.

THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, for Plainfield, covers pages 621 to 718. In this section the names of the streets and avenues are arranged in alphabetical order; the residences and business houses are arranged numerically under the name of each street and avenue, and the names of householders and business concerns are placed opposite the numbers. The Directory of Householders is a new feature with this edition. A Street and Avenue Guide for Dunellen appears in pages 743 to 744; for Fanwood, in pages 813 to 814; for Scotch Plains, in pages 865 to 867, and for South Plainfield, in pages 895 to 897.

THE PLAINFIELD RURAL ROUTES DIRECTORY covers pages 721 to 732. This is a new feature with this edition.

THE CLASSIFIED BUSINESS DIRECTORY is included in pages 929 to 1066. This department lists the various manufacturing, mercantile and professional interests of the whole community in alphabetical order under appropriate headings. This feature constitutes an invaluable and indispensable epitome of the business interests of the community. "The Directory is the common intermediary between Buyer and Seller." As such it plays no small part in the daily doings of the business world. "More goods are bought and sold through the Classified Business Directory than through any other medium."

Community-Publicity

The directory reflects the achievements and ambitions of the community, depicting in truthful terms what it has to offer as a place of residence, as a business location, as an industrial site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Plainfield and vicinity, for business men, everywhere, realize that the city directory represents a community as it really is. There are 450 of these Directory Libraries, installed and maintained in the chief cities of the United States and Canada through the courtesy of members of the Association of North American Directory Publishers, under whose supervision the system is operated and of which R. L. Polk & Co. is a member.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the city directory as an advertising medium, with assurance that it will bring a commensurate return.

A Homeplace of Rare Distinction

Upper Martine Avenue is in a fashionable and thoroughly established neighborhood in the Evergreen district. Its delightful manor homes, too, are country estates on a moderate scale—its charming shady sites—invite you to make your dreams of "home" come true; and life in this restricted park-like street, convenient to town, school, or club, offers you the maximum of advantages at a very reasonable price.

Sites at \$70 per front foot.
Manor Houses from \$20,000.

TRADE! You like

to patronize those concerns
who are in business to stay.

It's human to expect that such business establishments always stand back of the wares they sell.

The advertising in this Directory is suggestive of the stability and permanency of the advertisers.

Frauds, fakes, get-rich-quick and other schemers have little use for directory advertising. It lives too long.

The modern City Directory is a business institution. It occupies a place peculiarly its own. It is as necessary to the progress and development of a city generally as anything naturally would be which deals with such a fundamental as the citizens themselves.

If you are not advertising your business in the Directory, may we explain how and why it will pay you?

**DO YOU KNOW THAT A COPY
OF THIS DIRECTORY OF**

PLAINFIELD

is being placed in the Directory Libraries and among the commercial bodies, business men's clubs, chambers of commerce and the larger business institutions throughout the United States?

No other medium on earth can convey so complete and comprehensive an index of the city, its various industries, its business, educational and religious institutions, its social life and its people.

No other medium can tell so fully of its wonderful growth, its opportunities and its possibilities for the future.

Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or "get-rich-quick" concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?
